

## HOW THIS WORKS CHAPTER FOUR

August 6, 2018

**The following example is provided for illustration purposes and not as a limitation to any negotiation.**

**Suppose a buyer (hereinafter "BUYER") wants to have \$100 Million UNITED STATES DOLLARS to use for purchases or for other business purposes.**

The BUYER may negotiate a PRIVATE AGREEMENT with a MEMBER OF THE ADVISORY BOARD of USPES, a Collin County, Texas DBA.

The MEMBER may use the website provided to the MEMBER for that purpose to order SUPER UAWS valued at \$200 Million UNITED STATES DOLLARS and may arrange to resell these to TEXAS HOLDINGS, INC charging \$300 Million UNITED STATES DOLLARS.

See [http://www.change2100.com/THIBMART/SUPER\\_UAWS.pdf](http://www.change2100.com/THIBMART/SUPER_UAWS.pdf)

TEXAS HOLDINGS, INC would provide full payment by registering that amount in an account the MEMBER would have established with FIDES GESTION FINANCIERA, S.A. DE C.V., in Monterey, N.L. Mexico.

See <https://fides.com.mx/>

The MEMBER would transfer \$200 Million UNITED STATES DOLLARS to the account with FIDES of the vendor of SUPER UAWS, leaving the MEMBER a profit of \$100 Million UNITED STATES DOLLARS registered with FIDES.

For the buy/sell transaction of SUPER UAWS as indicated to be allowed, the MEMBER would have to arrange to purchase 2,000 UAWS, at \$1,000 UNITED STATES DOLLARS each, for a total of \$2 Million UNITED STATES DOLLARS.

See <http://www.zcash.org/NEWS7004.pdf>

This may be arranged by the MEMBER purchasing \$4 Million UNITED STATES DOLLARS worth of SUPER UAWS, reselling these to TEXAS HOLDINGS, INC for \$6 Million UNITED STATES DOLLARS, to thus provide \$2 Million UNITED STATES DOLLARS profit for the MEMBER to satisfy the purchase of 2,000 UAWS as indicated above.

The MEMBER may arrange the above by purchasing 40 UAWS, at \$1,000 UNITED STATES DOLLARS each, for a total of \$40,000 UNITED STATES DOLLARS worth of UAWS.

The MEMBER would already have a registered value with NVC FUND COMMERCIAL TRANSACTION PLATFORM of \$1.2 Million UNITED STATES DOLLARS provided to the MEMBER as prepayment for ten years of service on the BOARD.

The MEMBER could use the registered value with NVC FUND to negotiate an INSURANCE WRAP on the total registered value so as to present the wrapped registered value as collateral for a loan to be negotiated by the BUYER.

See [http://www.change2100.com/THIBMART/INSURANCE\\_WRAP\\_SAMPLE.pdf](http://www.change2100.com/THIBMART/INSURANCE_WRAP_SAMPLE.pdf)

The purpose of the loan would be to provide funds for the MEMBER to pay for the INSURANCE WRAP (5% of face amount) as well as to provide funds to pay \$40,000 UNITED STATES DOLLARS for the 40 UAWS indicated above plus to buy additional UAWS (\$250,000 UNITED STATES DOLLARS) and to buy SUPER UAWS (\$275,000 UNITED STATES DOLLARS) to qualify for the use of an IRREVOCABLE TRUST GUARANTEE valued at up to \$1 Billion UNITED STATES DOLLARS, plus to provide compensation to the MEMBER, so that the MEMBER may present the IRREVOCABLE TRUST GUARANTEE for use by the BUYER.

See [http://www.change2100.com/THIBMART/IRREVOCABLE\\_GUARANTY\\_SAMPLE.pdf](http://www.change2100.com/THIBMART/IRREVOCABLE_GUARANTY_SAMPLE.pdf)

**The contribution by the BUYER would be for the BUYER to negotiate a loan using the INSURANCE WRAP, for at least \$565,000 UNITED STATES DOLLARS or for more as may be negotiated with the MEMBER, and to put the IRREVOCABLE TRUST GUARANTEE to work to obtain profits.**

See [http://www.change2100.com/THIBMART/Using\\_an\\_irrevocable\\_trust\\_guarantee\\_to\\_undertake\\_business.pdf](http://www.change2100.com/THIBMART/Using_an_irrevocable_trust_guarantee_to_undertake_business.pdf)

If the BUYER cannot negotiate a loan using the INSURANCE WRAP and/or cannot negotiate business using the IRREVOCABLE TRUST GUARANTEE, through the MEMBER the BUYER may present business opportunities with other entities, as may be acceptable by HOWSE SERVICES, INC, so that the funding for the BUYER as well as for the other entities may be made available.

See <http://www.change2100.com/THIBMART/ADVP-2/>

Distribution of profits from the use of an IRREVOCABLE TRUST GUARANTEE would be 50% to the issuer of the IRREVOCABLE TRUST GUARANTEE and from the remainder, after repayment of the loan based on the INSURANCE WRAP and registered value, 25% (or 12.5% of total) to the MEMBER, which the MEMBER would share as per the PRIVATE AGREEMENT with the BUYER.

Because the loan would have been repaid, the process may be repeated to provide greater cash flow so as to more quickly provide desired funding.

**BUT, FOR FUNDING TO BE MADE AVAILABLE TO THE BUYER AND/OR OTHERS, PROFITS MUST BE PRODUCED, OR AT LEAST SATISFACTORILY PROGRAMMED, THROUGH ONE OR SEVERAL BUSINESS TRANSACTIONS SUCCESSFULLY PROVIDING PROFITS.**

**AND, ALL FUNDS PROVIDED WILL BE IN EXCHANGE FOR FUNDS REGISTERED WITH FIDES.**

**PLUS, PARTICIPATION OF A BUYER IN THIS PROTOCOL WILL REQUIRE A NON-REFUNDABLE PURCHASE BY THE BUYER AND/OR ASSOCIATES OF ONE LIVE ADVERTISING PACKAGE VALUED AT \$50,000 UNITED STATES DOLLARS; TERMS MAY BE NEGOTIATED WITH A MEMBER.**
