

CHARLES CHINDOVE RESUME

Professional Summary

Charles is an Educator cum Social Entrepreneur, who attained his Diploma in Education (Maths) from Hillside Teachers College and a Bachelor of Education (Physics) from University of Zimbabwe. He has 13 years of teaching experience in Africa. He was teaching Maths and Science at various high schools in Zimbabwe, Namibia, Swaziland and South Africa respectively. Then left Africa for New Zealand in 2010, where he is resident with his family. However, he travels once or twice a year to initiate community projects for the youth. In New Zealand, he worked for Richmond NZ as a Community Support Worker and supported the young Intellectual Disabled Sexual Offenders, for 2 years before joining another young person support organisation, where he is also supporting young Intellectual Disabled and Autistic persons. Furthermore, on his arrival in New Zealand, he obtained an Immigrant Business Start Up Course, which led him to establish his business brokering Company Chazaimpex Pvt Ltd, which links up International investors to Southern Africa Marketplace, especially, Zimbabwe. Charles is so passionate about resuscitating the Zimbabwean Economy through networking with international businesses and improving the standard of living for the Africa's disadvantaged communities.

Chazaimpex Pvt Ltd

New Zealand Company Registration No. 3384019

Main Members: Charles Chindove and Zanele Chindove

Background:

(a) Company History

Chazaimpex Pvt Ltd was established in 2011, after the owners (Directors) moved to New Zealand. Since, New Zealand is a vibrant Export oriented country in Agro based products, Chazaimpex Pvt Ltd, firstly attempted to join the Import/Export and B2B Industry, with the hope to take part in this vast industry. Unfortunately, Chazaimpex Pvt Ltd was still a start-up Company, and had no experience in this Import/Export business. It faced a lot of challenges, both technically and financially.

The owners had to quickly change the course of the planned entry into this immense industry, by focusing and dealing with the smaller Industry that was the Home-based Industry which deals with E-Commerce. From thereon, Chazaimpex Pvt Ltd had gradually linking and networking with large Multilevel Marketing Companies (MLM) and Matrix Management Companies.

What We do

Chazaimpex Pvt Ltd is a Network Marketing and Matrix Management linkage company. We link the existing Network Marketing and Management Companies to interested clients (members) with products, services and systems used by Multilevel and direct sales companies. This is used as a Home-Based business.

Strategy and Vision

Vision Statement:

Chazaimpex Pvt Ltd, is to help in the wealth development of disadvantaged communities in developing countries by business linkages with already established companies and systems from Developed Countries to Developing Countries, especially in Southern Africa. We provide the information and tools for individuals, community groups and small to medium business owners to maximize their income earning potential.

Mission Statement:

An Online linkage/Brokerage between the established companies or systems with new user/client/member who needs to enhance his living standard by doing Global E-Commerce Business.
