

GRENCOR DEVELOPMENTS INC.

Director and Principal:

Peter Loats Langdon, Alberta

Peter@greencor.ca

With over 45 years of work experience in various industries, including business ownership and operations, Peter has gained considerable knowledge over time.

Peter has been very successful in Canada since arriving in 1994 from his native country Australia. His strengths and successes are with land development, project management, utility construction and operations. Prior to arriving in Canada he had a successful track record in land development, house building, road construction and utilities. Peter gained experienced in farming and metal fabrication prior to his entrepreneurial endeavors.

With a progressive mind, he is looking to focus his efforts in the future towards environmentally sustainable development and is always looking for a new challenge.
