

Grant T Lowey, P.Geo

Mr. Lowey has 30 years' experience as a Professional Petroleum Geologist with Business School. His recent experience includes, private equity client & investment banking relations, business development, new venture business deals and joint ventures with high economic return on investment in the real estate, oil & gas and mining sectors. In the energy sector, Grant is fluent in geoscience and recoverable reserve evaluations of oil and gas properties, and field development plan implementation. He has broad band skills with deal negotiations, funding sources. In addition, he is a technical expert in prospect generation, 3D reservoir modeling, CO2 WAG enhanced oil and gas recovery utilization, and unconventional projects. He has a 95% oil finding success rate in recent projects with over 220 MBO recoverable oil reserves. He has worked with working with advanced petrophysics and seismic technologies to optimize reservoir characterization for ultimate hydrocarbon recovery, and CO2 utilization. Recent experience in Domestic Basins includes; USA Gulf Coast, Delaware, Rocky Mountain / Western Canadian, Permian, Anadarko, and Williston Basin. International experience includes; South-East Asia South China Sea, Middle-East Arabian Basin, Nigeria, and Columbia. He has served on the Board of Directors, and executive roles of private, and publicly energy companies in North America. Past Experience has been with Foreign National energy companies, Apache Corp, Big Horn Resources, Cenovus, Encana, Kuwait Oil Company, Norcen Energy Resources Inc., Quicksilver Resources Inc., and Saskatchewan Oil and Gas Corporation. Plus, various start-up junior companies. Real Estate experience includes commercial real estate building, residential renovation acquisitions for development and revenue properties. His current projects are with; Woodlands Finance Partners LLC, Sand Dollar Energy Ltd, associate of SCA Subsurface Consultants & Associates. Mr. Lowey graduated from the University of Regina with a Bachelor of Science Advanced in Petroleum Geology, with Business School. He has been a member of professional affiliations including; AAPG, APEGS CSPG, GSA, HGS, SGS, SPE. He has also conducted various internal and external convention seminars. Speakers clubs executive experience as President and rotational executive role duties.

CERTIFICATION & COURSES

2017- present	Houston Geological Society HGS
2014 - present	PADI Scuba Instructor - Divemaster
2012	Petrel 2D/3D mapping, modeling software in-house instructor
2012	Society of Petroleum Engineer SPE
2012	Society of Petrophysicists and Well Log Analysts meetings
2013	Techlog petrophysical modeling
2012	Board certified Petroleum Geologist, Malaysia
2012	PADI Scuba Rescue Diver, Emergency First Responder
2006	Petrel, Petra, DUG 2D/3D mapping, modeling
2000	Professional Geologist APEGS
2000 - present	Bunjikan Ninjutsu <i>Ninjutsu Practitioner</i>
1999- present	Commemorative Air Force CAF flying museum member Gulf Coast Wing TX, Air Group One CA
1999	Toastmasters Speakers Clubs executive roles
1999 - 2002	California Beach Volleyball Association
1994	Canadian Securities Course, financial instruments
1993 - 2002	Bobsleigh Canada, Alberta Bobsleigh
1993 - 2003	Calgary Beach Volleyball Association
1993	Applied subsurface mapping SCA
1992	Problem solving, Kempner Tregoe
1992	Economics and financial analysis
1991	Evaluation of oil and gas properties, Sproule & Associates
1989	Certified Sky Diver
1985	American Association of Petroleum Geologists AAPG
1985	Canadian Association of Petroleum Geologists CSPG
1985	Saskatchewan Geological Society SGS
1985	Geological Society of Australia GSA
1985 - present	Scuba diving
1984 - 1993	Canadian Ski Patrol System Patroller Rescuer
1984	Certified ski technician
1984 -present	Rowing, Nationals and Provincial Champions <i>8, 4, Singles: Rowing Champion. Indoor Rowing Champion</i>
1981 - 1985	Waterpolo City High School Champions
1980	Air Force Cadet Reserves training courses
1972 - 1980	Speed swimming Champion
1972 - present	Hockey, Football, Baseball, Golf, Mountain Biking, Rowing, Ski Patrol, Scuba Diving, Speed Swimming, Waterpolo, Beach Volleyball. <i>Participant and Spectator.</i>
1972 - present	Musician: Piano, Saxophone, Coronet, Percussion, Bass Guitar, Guitar, audio visual engineering.
