Capability Statement

Saul Paul Bunungam, is a qualified medical doctor with more than 20 years of medical professional experience who served both in Papua New Guinea and Australia particularly in the area of rural medicine has initiated the move believing that preventive medicine is about advancing or improving the people's life and well-being in encompassing a holistic approach - the idea that the whole is more than merely the sum total of its parts in every aspect of life.

Since the inception of Pio Dyn in Queensland, Australia 2012, Paul has aligned himself with various fellow Papua New Guineans through focused inter-relationships and awareness campaigns through dissemination of valued information directed at the potential inherent in time tested and emerging technologies in creating a better society with lessons learnt from centuries of lessons made by the predecessor civilizations and developed economies.

History- apart from extensive medical experience please find below a few of what Paul has been part of.

1. Co-Founder of Masters Inter-link Inc. a technology based medical and Security Company in Port Moresby, 1998 aimed at providing security in medical house calls, property, vehicle and personal security.
2. Founder of Nakakema People's Association Inc.- a four (4) villages association on Karkar Island, 2011 aimed at Land, Sea products and property management and commercial cash cropping through cooperative society concepts on Karkar Island
3. Founder Yersava Clan Association Inc. business venture in 2012
4. Founder and CEO of Krx Geothermal Pty Ltd, Karkar Island, Madang, PNG in 2013

5. CEO and founder of Pio Dyn Connect Pty Ltd Inc. Queensland, Australia, 2012
6. Co-founder FT Asset Management PNG Pty Ltd December 2016.

Aspiration

Paul aspires to utilize the valued human resource expertise in the country and abroad. The opportunities to properly manage huge wealth of renewable and non-renewable natural resources that Papua New Guinea is so blessed with has never been so imminent than ever before.

Paul is connected and nurtured by a community of fellow Papua New Guineans and friends around the world who seek a better and fair commercial and banking practises. He is connected with resource landowners of gold, copper, LNG, Coal, gemstones, coffee, cocoa, vanilla, copra, forestry, fisheries, and more with similar interests since early 1990s. He seeks to fully utilize the protocols in the **ICC, Spurt, My Fuel Club, THI, and all related protocols, as a THIB Mart Independent Contractor.**

Stepping stone- open for business

He has begun by co-founding financial asset company (FT Asset Management PNG Pty Ltd) December 2016 to manage financial assets (with varied venture interests into entities like closed community digital currency use, microfinance banking, alluvial gold mining, undersea gold mining and gemstones, coal and iron ore developments to green (Geothermal) energy development and telecommunications and mobile banking) in PNG, Pacific and Australasia in free market, commerce and trade which has already become a mini- revolution in PNG through Small to Medium Enterprise (SME) and Private Public partnership government sanctioned programs.
