

Sean Stephens

2532 Santiam Hwy SE #188. • Albany OR 97322 • 541-990-7002 • seanstephens@unseen.is

I am confident that I will exceed the repayment revenue of the amount requested for First Transaction as well as many subsequent RE submissions. Generating business with referrals from a realtor and a mortgage company has been a core source for my own successful business development over the past 10 years.

The first RE property I am bringing into the MPOP program comes from a business associate who has multiple rental properties as well as other business entities and is very active in the real estate arena. His first entry into our programs will be a test to see if we can perform and if so, multiple properties will follow.

I believe honesty and superb customer service are requisites for long term customers and I want to make certain every transaction I do is a win for each person/entity involved. Here are some of my personal commitments:

- Commitment to integrity in all transactions and relationships
- Make a positive impact in the legacy of families around the world
- Add value to every relationship gained

My experience in sales, customer service and technical skills (attention to detail) have prepared me well for this new venture with Kenn Goodenough, Bright Star Work Center, THI, FIDES and the other entities and clients I look forward to serving.
