

## **MAKE MONEY BY PURCHASING**

**January 26, 2023**

**This protocol is applicable to entities that register with [www.employeegold.info](http://www.employeegold.info) ("EMPLOYEE GOLD").**

A HOLDER of <https://www.change2100.com/THIBMART/ACPN%20FORMAT.pdf> ("ACPN") may register with EMPLOYEE GOLD at no cost, and may undertake business as per [https://www.employeegold.info/contents/en-us/d22\\_EMPLOYEE-GOLD-COMMITMENTS.html](https://www.employeegold.info/contents/en-us/d22_EMPLOYEE-GOLD-COMMITMENTS.html) ("COMMITMENT BUSINESS").

**For example, the COMMITMENT BUSINESS may be [https://www.change2100.com/GTD/contents/en-us/d3967\\_579.-BUYING-ELECTRICAL-POWER.html](https://www.change2100.com/GTD/contents/en-us/d3967_579.-BUYING-ELECTRICAL-POWER.html) ("POWER") and the HOLDER may function as the RESELLER.**

Payment by the RESELLER as per [https://www.change2100.com/GTD/contents/en-us/d3939\\_551.-KIDS-IBOE-AND-ANGELS.html](https://www.change2100.com/GTD/contents/en-us/d3939_551.-KIDS-IBOE-AND-ANGELS.html), as required by POWER, may be made partially or entirely using ACPN.

**Profit by the RESELLER undertaking the POWER process would exceed the value of ACPN for which the RESELLER is the HOLDER.**

Although an ACPN may otherwise be exchanged for funds deposited in any coordinates, using ACPN in COMMITMENT BUSINESS can be far more lucrative!
