January 1, 2020

You may pay off a mortgage or obtain funds to buy property by applying for a self-liquidating loan.

See <http://www.change2100.com/THIBMART/Document for Fides LoanPWP.pdf> with password "FIDES"

The loan (in increments of \$1 M UNITED STATES DOLLARS) would be collateralized and repaid by USPES, as per terms of the NOTE signed to obtain the loan.

For each \$1 M UNITED STATES DOLLARS loan amount requested, you would be required to provide to an INDEPENDENT CONTRACTOR, working in conjunction with a TEXAS HOLDINGS, INC BUSINESS MART CALL CENTER, a referral of a business that places an order for advertising as per "SUCCESSFUL ADVERTISING GUARANTEED"; or pay for continuation of advertising for an existing advertisement.

See https://www.change2100.com/GTD/contents/en-us/d3291_SUCCESSFUL-ADVERTISING-GUARANTEED.html

The initial order for advertising may be for as low as \$500 UNITED STATES DOLLARS, with a 200% rebate provided, which may be used for any purpose, including additional advertising.

Once a business places orders for advertising in increments of \$20,000 UNITED STATES DOLLARS, in addition to receiving a 200% rebate, the business could receive, for each \$20,000 UNITED STATES DOLLARS paid for advertising, an order for products and services advertised, at market value, for \$1 MILLION UNITED STATES DOLLARS.

Businesses referred for advertising may be as small as a distributor of products for a multi-level company or as large as an international chain of stores or a major manufacturer.

Your loan could be approved and processed once a referred business places and pays for an advertising order priced at \$20,000 UNITED STATES DOLLARS.
