

WAKING UP

A coffee producer/exporter in El Salvador (“COFFEE VENDOR”) has negotiated to sell coffee future delivery directly to CAFELET at a negotiated price using the protocol:

[BUYING PRODUCTS AND SERVICES](#)

The COFFEE VENDOR may repurchase the coffee future delivery at a negotiated price from CAFELET using the same protocol.

Any other agricultural producer/exporter anywhere in the world may negotiate with CAFELET a similar agreement, through an INDEPENDENT CONTRACTOR associated with the TEXAS HOLDINGS, INC 2016 BUSINESS MODEL.

CAFELET makes this offer to support and wake up agriculture, liberating that most important industry from market uncertainties.
