

# **“CASH” OR “MONEY”**

**December 7, 2019**

Most people think of cash or money as simply coins or paper money, **but in the USA the Courts have ruled differently:**

Additionally, in the USA, in 2014 a Federal Court case determined that **BITCOIN is money:**

Also, in that same year, the IRS acknowledged that **virtual currency may be used to pay for goods and services;** thus, accepting virtual currency in general as money:

Tying back in to all of the above, in 2015 the USA CFTC ruled that **BITCOIN and other virtual currencies are commodities** (with commodities, as per Court rulings as indicated above, also having been defined as money):

Additionally, **the USA having accepted the UN UNCITRAL CONVENTION as law,** INTERNATIONAL BILLS OF EXCHANGE issued as per that CONVENTION's rules and in UNITED STATES DOLLARS, are money.

All of the above may thus be considered under the category of **“current funds in lawful money”** in the FEDERAL RESERVE ACT SECTION 13, as being acceptable within the FEDERAL RESERVE banking system:

Also, as per SECTION 13, a Federal reserve bank may receive deposits from any of its member banks, **or other depository institutions.**

Similarly, ADVERTISING CREDIT PROMISSORY NOTES issued by HOWSE SERVICES, INC as per the UNIFORM COMMERCIAL CODE of the State of Texas, USA, as per SECTION 13 **may be taken on deposit for collection.**

**However, in FEDERAL RESERVE ACT SECTION 13 the operative word is “may”; that is, acceptance is not obligatory.**

But when not otherwise accepted, any form of cash or money “may” be exchanged for any other form of cash or money deposited in any accepting institution by requesting through a TEXAS HOLDINGS, INC BUSINESS MART CALL CENTER that U.S. PROFESIONALES DE EL SALVADOR, S.A. DE C.V. (“USPES”) have its USA affiliate, TEXAS HOLDINGS, INC issue a PAY ORDER.

A request to USPES to have a PAY ORDER issued must be preceded by an associated purchase from USPES of UNIFORM ADVERTISING WEEK SERVICES (“UAWS”), valued at \$20,000 UNITED STATES DOLLARS per each \$1 Million UNITED STATES DOLLARS in value of a requested exchange.
