MONEY

- In this world, everything seems to begin with having money

ROOT OF ALL EVIL – 1 TIMOTHY 6:10 (NT KJV)

- Doesn't the Bible warn that "money is the root of all evil"?
- "For the ^alove of ^bmoney is the root of all evil: which while some ^ccoveted after, they have ^derred from the faith, and pierced themselves through with many ^esorrows."
- Note: Money is a means of exchange, neither good nor bad; but coveting money is indeed the "root of all evil"!

A DEFENSE – ECCLESIASTES 7:12 (OT KJV)

- “For ^awisdom is a ^bdefence, and money is a defence: but the excellency of knowledge is, that wisdom giveth ^clife to them that have it.”
- So the Bible advises that money is a “defence”, but it is to be used wisely!

ALL THINGS – ECCLESIASTES 10:19 (OT KJV)

- “A feast is made for laughter, and wine maketh merry: but money answereth all things.”
- That is, things in this world may be obtained with money

BIBLICAL CONCLUSION

- Therefore, coveting money is evil, but as long as we live in a world where “things” are needed, we are advised to defend ourselves with money!

TENINO WASHINGTON MONEY

- When its citizens could not obtain money otherwise, TENINO WASHINGTON printed its own money!
- See <https://www.change2100.com/GTD/contents/en-us/d215.html>
- TENINO MONEY is accepted in TENINO WASHINGTON, but may not be accepted elsewhere

HOWSE MONEY

- When HOWSE needs money, HOWSE uses “LHP” to obtain it through “UAWS”
- See <https://www.change2100.com/LHP/>
- See <https://www.zcash.org/NEWS7004.pdf>

CAFELET MONEY

- When CAFELET needs money, CAFELET requests INTERNATIONAL BILLS OF EXCHANGE (“IBOE”) issued by HOWSE
- See https://www.change2100.com/THIBMART/DIRECTORY-1/contents/en-us/d130_124.-HOWSE-IBOE-WITH-CLEARING-BILL-PAY.html (“HOWSE IBOE”)

HOWSE IBOE MONEY

- Whereas, “TENINO MONEY” may be acceptable as “current funds in lawful money” only in TENINO
- Whereas “CRYPTO CURRENCY” may be acceptable as “current funds in lawful money” only in jurisdictions that may thus allow
- HOWSE IBOE are to be accepted, as per law, as “current funds in lawful money” everywhere that UNITED STATES DOLLARS are so accepted
- See <https://www.change2100.com/IBOE-LAW/iboe-law.html> (“IBOE LAW”)

BUT ACCEPTANCE REQUIRES CLEARING

- But acceptance of HOWSE IBOE as “current funds in lawful money” requires a CLEARING plan to be provided with each HOWSE IBOE
- If using a HOWSE IBOE to deposit in an institution or make a purchase from a SUPPLIER, the CLEARING plan should be acceptable to the institution or the SUPPLIER
- If using a HOWSE IBOE to pay a debt, the CLEARING plan should specify how it is to be executed by the party paying the debt, so as to qualify as per UNIFORM COMMERCIAL CODE as indicated in IBOE LAW

MONEY FOR YOUR BUSINESS

- When YOUR BUSINESS requests money from the ANYTHING STORE (i.e., from CAFELET), if the request is approved, YOUR BUSINESS would receive HOWSE IBOE

CLEARING

- YOUR PLAN submitted for EMPLOYEE GOLD would include a requirement for YOUR BUSINESS to execute CLEARING for any HOWSE IBOE that YOUR BUSINESS may be provided, issued by HOWSE, through CAFELET
- See https://www.change2100.com/GTD/contents/en-us/d3770_372.-CLEARING.html (“CLEARING”)

YOUR BUSINESS PROCESS FOR CLEARING

- CAFELET may take the position of HOWSE AFFILIATE in CLEARING
- YOUR BUSINESS may take the position of BUYER in CLEARING
- The HOWSE IBOE for which CLEARING is executed may be a HOWSE IBOE (“YOUR IBOE”) with YOUR BUSINESS as BENEFICIARY
- YOUR IBOE may be used as PROOF OF PAYMENT CAPABILITY for CAFELET to service PURCHASE ORDERS that YOUR BUSINESS may issue to acquire items that YOUR BUSINESS has already pre-sold to an END BUYER

CLOSING

- The Attorney that signs HOWSE IBOE as witness may arrange closing.
- As PAYMASTER, the Attorney would assure a SUPPLIER of payment and would assure an END BUYER of delivery of items purchased, as may separately be negotiated with the SUPPLIER and as may separately be negotiated with the END BUYER
- The PAYMASTER may use an IOLTA with a major bank to undertake closing

END BUYER PAYMENT

- Payment made by an END BUYER would be used by the PAYMASTER as stipulated in CLEARING

CLEARING FUNDS ALLOCATION - 1

- The amount to be paid to the SUPPLIER as per INVOICE presented to the HOWSE AFFILIATE, with the remainder being “PROFIT”.

CLEARING FUNDS ALLOCATION - 2

- 10% of PROFIT will be distributed...
- ...50% to the HOWSE ASSOCIATE...
- ...20% to the HOWSE AFFILIATE that contracted with the SUPPLIER...
- ...20% to the HOWSE AFFILIATE that referred the BUYER...
- ...10% to purchase UNIFORM ADVERTISING WEEK SERVICES (“UAWS”) to keep this advertisement active...
- ...The CONTRACTOR will be compensated through the purchase of UAWS.

CLEARING FUNDS ALLOCATION - 3

- 10% of PROFIT will be used to begin clearing the HOWSE IBOE.

CLEARING FUNDS ALLOCATION - 4

- Remaining PROFIT to remain in the IOLTA to be leveraged so as to provide value to complete clearing of the HOWSE IBOE...
- ...Plus, value equal to the full cost of purchase to the HOWSE ASSOCIATE, to the HOWSE AFFILIATE that contracted the SUPPLIER, to the HOWSE AFFILIATE that referred the BUYER, and to purchase additional UAWS...
- ...The CONTRACTOR is compensated through the purchase of UAWS.

FUNDS USED FOR FACTORING

- Funds used for factoring in CLEARING would be used for financial leveraging
- Payments related to INVOICES and HOWSE IBOE involved in CLEARING of a HOWSE IBOE would be made using funds produced through leveraging
- After CLEARING of a HOWSE IBOE presented by YOUR BUSINESS has been satisfied, HOWSE IBOE unrelated to YOUR BUSINESS may be selected for CLEARING by HOWSE.

USE OF FUNDS FROM CLEARING

- Funds obtained through CLEARING of a HOWSE IBOE presented by YOUR BUSINESS, supported by factoring using funds obtained (by YOUR BUSINESS along with others) buying from CAFELET and reselling to END BUYERS, will be used by the PAYMASTER to invest in US TREASURIES:
- One half of the TREASURIES would be transferred by the PAYMASTER to YOUR BUSINESS, and one half would be transferred by the PAYMASTER to CAFELET

YOUR BUSINESS USE OF TREASURIES

- YOUR BUSINESS may use TREASURIES, transferred by the PAYMASTER to YOUR BUSINESS, for any undertaking YOUR BUSINESS may select
- Including selling the TREASURIES and using the proceeds as YOUR BUSINESS may determine

HOWSE IBOE, U.S. TREASURIES, VALUE ON DEPOSIT

- HOWSE IBOE, U.S. TREASURIES, and VALUE ON DEPOSIT may be used to legally engage in commercial and financial buy/sell transactions for leveraging
- But U.S. TREASURIES may be more easily acceptable than HOWSE IBOE
- And VALUE ON DEPOSIT may be more easily acceptable than U.S. TREASURIES

NO LIMIT

- There are no limits on the size of transactions YOUR BUSINESS may undertake, or investments YOUR BUSINESS may make, using the process described herein to provide the funding!

MORE PROFIT FOR YOUR BUSINESS

- YOUR BUSINESS may register as an INDEPENDENT CONTRACTOR (“IC”) and receive a free site in <https://www.chips-corner.com/GIDEON/> so as to service requests for purchases of UNIFORM ADVERTISING WEEK SERVICES (“UAWS”) offered by USPES for CLIENTS you represent.
- An IC represents customers to USPES, not USPES to customers!
- In other words, only entities presented by IC to USPES may purchase UAWS
- An IC receives 16% of value of UAWS purchased, registered in TRUST

SUPPLIERS

- As per YOUR PLAN to buy through CAFELET, SUPPLIERS must qualify to sell through CAFELET
- SUPPLIERS selling through CAFELET must advertise in <https://www.change2100.com/GTD/> (“GET THINGS DONE”)
- A SUPPLIER may be guaranteed orders by complying with https://www.change2100.com/GTD/contents/en-us/d3291_SUCCESSFUL-ADVERTISING-GUARANTEED.html (“SUCCESS GUARANTEED”)
- If, as an IC, a SUPPLIER referred by YOUR BUSINESS purchases UAWS to advertise in GET THINGS DONE, YOUR BUSINESS would receive payment equal to 16% of the price paid by the SUPPLIER for UAWS, and the SUPPLIER would receive a 200% rebate of the amount paid by the SUPPLIER.

SOME SUPPLIERS MAY NOT WANT TO ADVERTISE

- If a SUPPLIER you want to buy from, through CAFELET, does not want to participate as per SUCCESS GUARANTEED...
- YOUR BUSINESS may choose to invest by becoming a SURROGATE for that SUPPLIER
- Or, as an IC, YOUR BUSINESS may refer another party that becomes a SURROGATE

A SURROGATE

- A SURROGATE may purchase from a SUPPLIER... negotiate a mark up with CAFELET... and be guaranteed to resale at a profit!
- Additionally, the SURROGATE would enjoy 200% rebates by paying for the advertising
- BEING A SURROGATE can provide superlative profits while the actual SUPPLIER does all the work!

WHY NOT

- WHY NOT DO THIS... THERE IS NO COST TO YOU... AND THE REWARDS...
- FINANCIAL INCOME... GROWING BUSINESS AND RESIDUAL INCOME
- SOCIAL... PROVIDING WELL PAID JOBS
- COMMUNITY... PROVIDING SUCCESS FOR OTHER BUSINESSES
- ...CAN BE VERY SUBSTANTIAL
